

## BOUNDARY LINES FOR CONSERVANCY DIST. TO BE MARKED OUT

One Hundred Objectors  
Appear Before Commis-  
sioners Monday.

Notwithstanding the fact that about one hundred objectors to the proposed reorganization of the Fox River Conservancy district appeared before the board of commissioners at the hearing held at Geneva Monday, that body will meet again Friday of this week in special session to establish definitely the boundary lines of the district and issue a call for a special election.

Practically all of the objectors were Kendall county residents who gave various reasons for not wanting their property included in the district, some claiming that no drainage from their premises entered the Fox river or its tributaries, and others stated that no benefit either to themselves or to the district would result from including their land in the district. These objections are to be considered and passed upon by the commissioners at the meeting Friday.

The county of LaSalle is to be excluded from the district, as that county is being organized into a separate conservancy district, the election for that purpose having been called for July 26.

## KENOSHA MAN BUYS CHINN CONFECTIONARY

C. D. Foth Will Operate  
Delicatessen at Popular  
Stand.

C. D. Foth, for 22 years a resident of Kenosha, with many years experience in the delicatessen and bakery business, last week purchased the confectionery store of Mrs. Rose Chinn, the new owner also taking over the newspaper stand and the North Shore bus agency.

For six years Mr. Foth was in the bakery business in Kenosha, operating two bakeries, a wholesale and a retail establishment, selling his interests there three years ago to enter into sales promotion work. In his new place of business Mr. Foth will carry a full delicatessen line, lunches will be served, and pies, cakes and muffins will be baked to order. New tables have been installed, and the store is being re-decorated. The new proprietor is well pleased with the new business he has acquired, and which was conducted so successfully for many years by Mrs. Chinn.

## Ladies Guild to Have Bazaar

The Ladies Guild of St. Ignace's Episcopal church, Antioch, will hold their Annual Bazaar and Carnival at the Antioch Palace this year. The affair will open Wednesday afternoon, July 18th, with a card party and on the following evenings the articles that the ladies have gathered together during the year will be sold, including fancy work and novelties. The ladies have promised a good time to all who attend.

## Council in Special Meeting Monday

Village council members in special meeting Monday night will hear the engineer's report on the estimated cost of sewer extensions for Craig's and Thorn's subdivisions, and the matter of the purchase of new pumping equipment for the water system will also be discussed. Much business of importance is to come before the meeting.

## Substitute Spelling

A second-grade teacher was inspecting letter-card sentences made by her pupils. On one boy's desk she read this sentence: "He took his hat off." Very much surprised at the novel spelling, she inquired of the boy how he happened to spell "off" in this way. "Well," was the reply, "I ran out of 'a'."

Prin. L. O. Bright and family returned to Antioch Tuesday after enjoying a two weeks' vacation at Champaign and other points in central Illinois.

Mrs. Frank Merrill and daughter, Harriet, spent four days with her mother in Chicago, this week.

## STATE'S FASTEST BOXING CARD AT PALACE FRIDAY

Nine Hundred Fans See  
Greatest Boxing Show—  
Holderman Loses.

Proclaiming Promoter Richard Mack's fifth boxing show the greatest amateur card ever staged in Illinois, over nine hundred fans wildly applauded the eight real fights at the Antioch Palace Friday night. From start to finish the fans were on their feet for the show was undoubtedly the fastest fight card ever staged in the state.

### Holderman Loses

The only setback of the entire evening, at least to local fans, was the defeat of George Holderman, Antioch's classy glove artist, who lost to Jack Moore, a more experienced boxer of Belle Plaine Athletic club. After three rounds of slugging George took the full count, and the only defeat the local boy has had since appearing at the Palace.

### Jokinen Wins Thriller

In the eighth and windup bout of the evening the crowd had the big thrill when Arnie "Jokey" Jokinen, Waukegan boy, knocked out Billy Bennett of Evanston, in the third round. The first round looked bad for Jokinen when he was floored by Bennett for a count of eight. In the second round Jokey slugged Bennett to the canvas for seven seconds. After furious slugging for a minute and thirty-three seconds of the third session Bennett was knocked out. Bennett, after being revived, immediately requested a return match for a week from Friday night.

In the opener Mort Maxedon won the decision over Tommy O'Connell of Chicago. Hobel and Martin were the principals for the third bout, won by Martin. In the fourth scrap Mac McMullen lost to Roosevelt Haynes, (colored) after three rounds of terrific slugging. Druha defeated Mase of Chicago in the fifth bout. The next six artists on the card were Phil Taylor and Morris Stewart, the judges decision going to Taylor. Jimmy Hull of Lake Villa won over D. Palermo in the semi-windup.

### Eight Bouts Friday Night

Eight more fast bouts are on the card scheduled by Promoter Dick Mack at the Antioch Palace tomorrow night, with George "Jokey" Young as third man in the ring and Henry Wallenwien as announcer and A. A. U. official in charge. Dr. H. F. Heche will be the attending physician.

## FORD CAR IS TAKEN

Frank Mongon, mechanic at the Main Garage, has been without the joys and convenience of motoring since last Saturday evening at six o'clock when he missed his Ford coupe from the front of the garage where he had parked it at noon. Presuming that some member of the family or some friend was using the car, Frank thought little about it having missing at the time, but as the hours and days wore on "Lizzie" failed to return he has come to the conclusion that the car was stolen.

Mrs. Marie Jensen of Chicago is making a two-weeks' visit with her mother, Mrs. N. C. Jensen, sister, Miss Ella Jensen and daughters, Bernice and Alice.

Mrs. Samuel Ries spent Monday in Chicago.

## LAKE COUNTY WATERS CLAIM FOUR MORE DROWNING VICTIMS

Torrid Heat Makes Drown-  
ing Toll Heavy During  
Past Week.

Seeking relief from the torrid heat wave three Chicago vacationists were drowned in Lake county waters last Sunday. The body of a fourth victim drowned in Round Lake July 4, was recovered Sunday morning.

The drowning victims Sunday were:

Heulah May Slagle, aged 11 years, daughter of Floyd Slagle of 1054 Bissell street, Chicago.

Elwyn Munson, aged 19 years, 1918 Harding street, Chicago.

Alcezia Mazzone, aged 42 years, of 327 South Superior street, Chicago.

Efforts to rescue the victims made by relatives or others who saw them in their death throes in each case were of no avail. All sank to their death before aid could reach them.

The Slagle girl, with her father and mother, and Mr. and Mrs. Harry M. Clow and their daughter, Mrs. Laverne Morin, of Chicago, was on a visit to the Rice farm, which is west of Countryside lake, two miles west of Mundelein.

Munson, said to be an expert swimmer, drowned in 18 feet of water in Fish lake when he is believed to have been seized with cramps.

Searching crews continued dragging the waters of Fish lake today for the body of 19 year old Edwin Munson, of 1918 North Harding ave., Chicago, who drowned last Sunday evening when seized with cramps. It is believed the body is entangled in the heavy weeds in the lake.

### Recover Manzone Body

Munzone's body was recovered at the Horatio Gardens an hour and a half after he went down. The drowning occurred at 9 o'clock Saturday night. William Garippo, of 2151 Lexington avenue, Chicago, an acquaintance, nearly lost his life in an attempt to save Munzone when he was pulled under twice by the struggling victim.

### Fourth Body Is Found

While the search for the remains of Andrew Walther, aged 45 years, of Oak Park, who was drowned in Round lake, on July 4th, when his speed boat overturned, was being carried on in a methodical manner after five days of dragging, the body shot to the surface of the water of its own accord Sunday. A verdict of accidental drowning was returned in the inquest which was held at the Straug funeral home in Grayslake, two hours later. The remains were shipped to Chicago.

### Body Recovered at Pistakee Bay

The finding of another body, that of George Grimes, 33, of Naperville, who was drowned Monday night, when he fell out of a boat in Pistakee bay, was reported to the coroner's office at noon Wednesday. The remains were taken to the village hall in Fox Lake where Coroner Taylor was to hold the inquest late yesterday.

Lake county waters have claimed eight drowning victims thus far this season.

## Marengo School Men Visit Local Ag. Dept.

Officials of the Marengo high school spent one-half day Monday studying the organization and equipment of the department of vocational agriculture at the Antioch Township High School.

Marengo has hired Mr. Eldor of Wisconsin to head their new agriculture department. Especial interest was given to the equipment of the local farm mechanics shop.

## Local Graduate Accepts Job at Lindenhurst

Elmer Barthel, a graduate of the Agricultural Department of The Antioch Township High School, class of 1927, is now in charge of the poultry department at the Lindenhurst farm, Lake Villa. This is the farm of Mr. Mr. Lehmann on Grand avenue.

Mr. Barthel has charge of the following fowls: Chickens, turkeys, geese, ducks, and pigeons. Considerable improvements are planned at the farm and Mr. Barthel's first job will be the building up of the new flock of Barred Plymouth Rocks.

Many poultrymen will remember Elmer's interest in showing exhibition birds, and are glad to know he will continue in our community. Friends extend to him congratulations and wish him great success.

## Kings of Harmony Draw Great Crowds To Antioch Palace

The famous Bill Donnelly and his Kings of Harmony, engaged to play the season at the Antioch Palace, are drawing great crowds to the popular recreation auditorium every night, with capacity crowds on week ends. Bill Donnelly is known from coast to coast as director of one of the country's foremost orchestras, and thousands have heard the harmony kings over the radio from the leading stations. To hear them in person at the Palace is a real treat, and hundreds who do not dance have gathered at the Palace to enjoy the music of this famous orchestra.

### Feature Nights Announced

Manager Richard Mack is featuring Monday as waltz night and Thursday of each week as fox trot contest night, a silver cup being awarded the winners who are chosen by popular applause. The contests are attracting much interest.

## CLARK TAKEN AFTER GUN BATTLE WITH COPS IN LOUISVILLE

Alleged Murderer of Wm.  
Beck Is Taken in Ken-  
tucky City.

Taken into custody after a desperate fight with police at Louisville, Ky., Claud Clark, alias Carter, alias Pauchamp, 41, wanted in connection with the murder of William Beck near Millburn a few weeks ago, is being brought to Lake county to face the charge of murder.

### Three Men Captured

With the arrest of Clark, three of the five men who participated in the murder of Beck have been caught. A reward of \$1,000 which was posted by the Lake county board of supervisors at the request of State's Attorney A. Smith is to be paid the person or persons who brought about the arrest of Clark. A reward of \$350 will be paid for the capture of each of the other two men, who are still fugitives.

The story told the Louisville police by Clark differs from that of the two prisoners in the Lake county jail, Clifford Bresette, 30, an Indian chief at the Lapointe, Wis., reservation, and John Brown, colored, 40, 3052 Indiana avenue, Chicago. Both claim that Clark fired the shot which killed Beck.

### Go to Get Prisoner

Deputy Edward Dunne and Police Sergeant Bart Tyrell left Tuesday for Louisville to bring Clark to Lake county. According to word from Louisville, Clark has agreed to waive extradition. The officers were scheduled to arrive in Waukegan with their prisoners early today.

## Ladies Aid Bazaar Thursday, July 26

The Ladies Aid of the Methodist church will hold their annual bazaar on Thursday, July 26, at the Methodist church. A chicken dinner will be served commencing at 5:30. The ladies will have on display and for sale many beautiful pillows and quilts, also fancy work and a "curiosity lady" for the children.

## Postal Department Announces New Special Service for Parcel Post

"Under a new law enacted by the last Congress and made effective on July 1, 1928, a new service was created with reference particularly to the expeditions handling and delivery of parcel post. While this new service is called 'SPECIAL DELIVERY,' it has the effect of making all classes of mail except the first, namely, the second-class mail, the third-class mail, and the fourth-class mail, all have the same expeditious treatment as first class mail IN TRANSIT, PLUS SPECIAL DELIVERY at the office of the addressee by marking the same 'Special Delivery' and placing on such mail the following postage in addition to the regular postage, namely, 15c on matter weighing not more than two pounds, 25c on matter weighing more than two pounds but not more than ten pounds, 35c on matter weighing more than ten pounds.

"It is necessary to put on the additional postage as above stated and mark it 'special delivery.' It is a combination of the former 'special-handling' service and the 'special delivery' service. It will be seen that the combined service now is cheaper than the sum of the cost of the two former services.

"Mallers desiring 'special-handling' service in transit without 'special delivery' at the office of the addressee may, if they desire, secure this service at the following rates, namely, 10 cents on parcels weighing not more than 2 pounds; 15 cents on parcels weighing more than 2 pounds but not more than 10 pounds; 20 cents on parcels weighing more than 10 pounds.

"There is no 'special delivery' now which does not carry with it also special handling in transit, so that if the mailer purchases special-delivery service now as above specified he thereby secures also special-handling service."

## ANTIOCH WINS TWO FAST GAMES IN ROW

Waukegan Forresters and  
Gurnee Bow to Locals  
in Fast Games.

### SUNDAY'S GAME

On July 4, Antioch defeated the strong Waukegan Forresters by the score of 6-5 in 10 innings. Sullivan tripled and scored in the tenth when the catcher dropped the throw at the plate for Antioch's winning margin. Nixon collected 3 hits for Antioch while McKillen got 2 for Waukegan. Fredrickson and Morley both pitched very good ball but errors by the locals kept the game close throughout.

The game was well umpired by Carl Gallagher of Wadsworth, a league umpire.

## OFFICERS ROUNDING UP DELINQUENTS IN COLLECTION DRIVE

Collect 312 Auto Fees—  
Twelve Have Paid Busi-  
ness Tax.

Village officers are on the last lap of their rounds in an effort to collect vehicle tax in Antioch. It was stated today when the report was given out that 312 in the village had possessed themselves of the required license tags for the year 1928. About 50 remain to be collected, according to Clerk Harry A. Isaacs. Village license plates still sell for \$5.00. Car owners, don't crowd—line forms to the right.

Twelve firms engaged in business in Antioch have paid their business tax for the current year, it was stated.

It has been intimated that 100 per cent collection under the business license ordinance may be a difficult matter, but village authorities insist that the present ordinance is legal in every particular and the fees can be collected.

## ZION YOUTH IS CRUSHED TO DEATH

William Lumsden Is Killed  
When Gravel Hopper  
Collapses.

William Lumsden, 16 year old Zion youth, was crushed and smothered to death, and Joe Wheeler, Winthrop Harbor, were seriously injured Tuesday afternoon at Camp Logan when a huge loaded hopper collapsed under the weight of seven tons of gravel which the trio were loading into trucks. All the men were employees of the Hutchinson Construction Co., which is building concrete roads in Frederick H. Bartlett's subdivisions.

### Victim Badly Crushed

The sixteen year old victim, a truck driver, was sitting on the seat of his truck which he had backed under the hopper a moment before to be loaded when the structure collapsed, piling heavy timber and over seven tons of gravel on top of him. So great was the pressure that a portion of the shattered steering wheel passed through the youth's body. His entire body from his shoulders down was crushed.

The injured were removed to the Victory Memorial hospital for first aid treatment and were later taken to their homes.

### Coroner to Investigate

Coroner John L. Taylor announced that he would launch a thorough investigation to determine the cause of the hopper collapsing. Many witnesses were summoned to the inquest in the Zion youth's death.

## Prof. Stark Signs Contract to Teach At Franklin Park

Prof. L. A. Stark, four years teacher of science and music at the Antioch Township High School, has signed a contract to teach the same subjects at the Leyden community high school at Franklin Park, he told friends here this week.

Mr. Stark's record in Antioch is one of achievement, and it is quite natural that his services should be sought by other schools. In 1927, on May 6, at Normal, Ill., the local school orchestra under Mr. Stark's direction was awarded the state championship cup. Again this year the orchestra won the district championship at Elgin on April 12th. Three weeks ago L. R. Watson, six years coach of Antioch, signed a contract with the Leyden high school at a very substantial increase in salary. It has been suggested that it would be a very fine thing to keep tried and efficient teachers on the local school faculty if possible. Anyway, it's food for thought and is offered without comment.

Rev. and Mrs. Krah drove to Chicago Monday where they visited Lorraine Anderson at the Wesley hospital and Mrs. Krah saw her doctor. On the way home they stopped in Des Plaines and attended the camp meeting service.

FASHION HINTS

Organize for your Summer Wardrobe

Before you start your summer wardrobe, it is wise to organize your closet. This will save you time and money.

HOUSEHOLD HINTS

An Improved Dustpan

For the purpose of cleaning, a dustpan is a very useful article. It is especially useful for cleaning up after a party.

To Test Eggs

Place the egg in a glass of water. If it floats, it is bad. If it sinks, it is good.

Care of Linens

Linens should be washed in cold water. Do not use hot water, as it will shrink the fabric.

When Too Much Salt

If you have too much salt in your food, it will be bad for your health. Try to eat less salt.

Method of Testing Coffee

A way to test the quality of coffee is to add a little water to it. If it tastes good, it is good.

## WILMOT BALL TEAM BOWS TO SOMERS SUNDAY, 5 TO 3

Friends of Donald Tyler  
Surprise Him on His  
Birthday.

Wilmot was defeated by Somers at the local park Sunday afternoon with a score of 5-3. Shubert Frank pitched a wonderful game of ball but his support failed him. He allowed four hits and struck out twelve men. For the last 3 games this season Frank has allowed only one earned run. Williams, the Somers pitcher also pitched a good game allowing five hits, striking out nine men. There was a good crowd on hand and next Sunday the DePlaines team will play at Wilmot park. It is expected that Schurr and others of the ailing regulars will be on hand.

A number of Donald Tyler's friends surprised him at the Carey home on Thursday evening in honor of his birthday. With the playing of games, dancing and the serving of refreshments the evening passed very quickly. Donald received many lovely remembrances from his guests.

Mr. and Mrs. A. P. Moran of Kenosha spent the Fourth at the home of their parents, Mr. and Mrs. J. Moran. Mr. and Mrs. E. DeLong, Mrs. M. Knight and daughter, Ruth, of Racine were week end guests of Mr. and Mrs. James Owen.

Mrs. Fred Faulkner and Mrs. Louis Hegeman spent several days last week in Chicago guests of Mrs. John Staley.

Russell Montgomery of Chicago and Grace, Blanche and Catherine Carey motored to Kilbourn over Sunday for a visit with Mr. and Mrs. James Montgomery.

Mr. and Mrs. Fred Holdorf, Algonia, and Walter and William Holdorf, Janesville, were guests of Mr. and Mrs. Charles Kanis over the Fourth.

Mr. and Mrs. Lloyd Stoken returned from Oakesville the last of the week and moved to their apartment in the Carey building at Twin Lakes Monday.

Mr. and Mrs. Frank Kruckman and Dale were Sunday guests of Crystal Lake relatives.

Mrs. R. C. Burton of Richmond spent the last of the week with her parents, Mr. and Mrs. Hegeman.

Services at the Lutheran church Sunday will be in German, with Communion at nine-thirty.

Mr. and Mrs. Thomas Madden of Rockford visited friends and relatives in the vicinity last week. Saturday Mr. and Mrs. Madden and Mr. and Mrs. M. Anderson of Kenosha were entertained by Mr. and Mrs. W. Volbrecht.

Mrs. H. McGuire and family of Chicago were out over the week end. Mrs. McGuire, Katherine and Win. will stay for several weeks.

Marie Hush has been ill and under the care of Dr. Becker.

Mr. and Mrs. Roy Cox and George Cox of Chicago motored out Sunday and spent the day with Mrs. DeYett. Mrs. Stella DeGroot, her daughter, who has been staying with her the past week returned to Chicago with the Cox family.

Mr. and Mrs. J. Cosman of Wheeling called at John Franks' last week.

Mr. and Mrs. James Carey were in Milwaukee for the day Wednesday.

Mr. and Mrs. Edward Congdon, Francis Bouslett and Michael Ryan of Chicago spent from Tuesday to Thursday at the Carey home.

Mr. and Mrs. Ben Kanis entertained at a shower for Mr. and Mrs. Walter Frank Saturday night.

Mrs. J. Pickles spent part of last week at the Wilbur Hunter home.

Mrs. Tom Edwards and daughter visited her sister, Mrs. Hollenbeck Sunday.

Mr. and Mrs. Paul Protline entertained friends Sunday from Waukegan Sunday.

Mr. and Mrs. Ed Gillings of Waukegan are visiting the Wells family.

Mrs. Jeannette Wells visited last Tuesday in Waukegan.

Mrs. Paul Protline visited her sister at Lake Forest one day last week.

Mr. and Mrs. John Brogan visited at the J. C. Smith home Sunday.

### Tobacco as School Prize

If a schoolboy makes a perfect recitation in some schools of Mexico the teacher gives him a cigar and it is the pupil's privilege to smoke it then and there. Sometimes if the whole class conducts itself in an admirable manner, the teacher will then distribute cigarettes. The urchins light up and the school grind goes on amid fragrant clouds of smoke.

Mrs. Dorothy Pierce from Burlington spent Sunday with her parents, Mr. and Mrs. Selby.

### Horsepower

James Watt and Matthew Boulton in the eighteenth century, began to manufacture hoisting engines to supply the mines of England. They tested the pulling power of a heavy draft horse and found that a horse could lift 300 pounds of coal 100 feet in 1 minute, which is equivalent to lifting 33,000 pounds 1 foot in 1 minute, the accepted test of horsepower today.

County Superintendent of Schools, T. A. Simpson, has completed tabulating the results of the recent examinations and on Tuesday announced the winners of the Ludley scholarship.

The scholarship in Antioch township was this year won by Emilie Forbick of the Grass Lake school. The Lake Villa scholarship goes to Harriet Wald. The winner of the Antioch scholarship also had the honor of being among the twenty-five highest in the entire county.

One year ago this week there were only twelve Antioch township boys in the service of their country and now there are sixty-six.

A letter received on Wednesday from Archie Mapleshorpe at Waco, Texas, is to the effect that his regiment has been called upon to turn in their khaki garments and have been issued their over seas clothing and they expect to be on the way immediately, presumably to Russia.

The Antioch Band has made arrangements to hold a free band concert on Main street every Friday evening. These concerts will continue every Friday evening for the remainder of the summer season.

The convention of the Antioch Township Sunday School convention which comprises Antioch, Millburn, Lake Villa and Hickory, was held at the Hickory church last Sunday afternoon. Officers elected are: Frank Edwards, President; George White, Vice President; Miss Edith Pickles, Secretary; Mrs. Hazel Sibley, Superintendent Secondary Division; Mrs. W. F. Ziegler, Teacher's Training; Miss Vivien Bonner, Home Department; Mrs. E. L. Wald, Superintendent Missionary work.

Mayor Husse of Chicago has been challenged to a swimming race. He has accepted a motor boat race instead. The race is scheduled to come off on Fox Lake, where the mayor has his summer home. A H. Porter, candidate for clerk of the appellate court of Cook county, is the challenger.

The Antioch base ball club defeated the strong Waukegan club last Sunday by a score of 8-2. The features of the game were the battery work of Ponton and Weinberg and the fielding of Knott. Next Sunday afternoon at 2:30 the Antioch team will play the Kenwoods, one of the strongest teams in Chicago, on the Gilman grounds at Antioch.

Lake county has had the State Senatorship for the last four years. Hon. Dufay Fuller of Boone county held it for four years prior to it coming to Lake county. It is eight years since McHenry county had the State Senatorship from this district and there is good argument in the claim made by the Republicans of McHenry county that their county is this time entitled to the State Senatorship.

Hon. A. J. Olson of Woodstock, is making the most thorough canvass ever made by any candidate in the Eighth Senatorial district and he and his friends claim that Mr. Olson is at this time far in the lead in the race for State Senator, and it is certain that no other candidate can at this late date make the thorough canvass of the district that Mr. Olson has made.

## LIFE LONG RESIDENT IS BURIED TUESDAY

Mrs. Joseph Labdon Passes Away After Brief Illness.

The remains of Mrs. Joseph Labdon, well known lifelong resident of this community, were laid to rest in Hillside cemetery here Tuesday afternoon, following impressive funeral services at the Antioch Methodist church at two o'clock. Rev. A. M. Krah, pastor of the church, officiated and a mixed quartet sang three beautiful hymns.

Born in 1872

Mrs. Labdon was born on the Westlake farm near Antioch June 11, 1872. At the age of eighteen she gave her heart to God with a promise to serve Him all her days, a promise which she kept until the end. In preparation for a larger service she enrolled in the Chicago training school for Christian workers, receiving her diploma in 1898.

She was married to Joseph Labdon, March 14, 1901.

After a brief illness she was called to eternal rest Saturday afternoon, July 7, 1928, leaving to mourn her loss, the husband, mother, two sisters, nieces and nephews, as well as many other relatives and a host of friends.

During her entire life Mrs. Labdon was active in religious and civic affairs of the community. She was formerly commander of the local Fortresses, Daughters of G. A. R. For the past several years Mr. and Mrs. Labdon have spent their winters in the state of Florida.

## Poor Kin

Caruso was a common sort of man, born with a glorious voice, which made him famous and rich. In the days of his prosperity, he had 21 relatives living at his house, and they nearly drove him crazy. Caruso was less satisfactory as an artist because of his poor kin; they may have killed him at a time when he still had a good deal of value in him. Every useful man is hampered by poor kin.—E. W. Howe's Monthly.

The summer months offer unique opportunity to develop the spiritual life in a vacation spirit. Antioch has its busy season especially in the good old summer time why not a religious busy season also. Many exclaim that they never thought of it that way. God is really the source of all things and it is through organized service and living as exemplified by the Christian church that we are given the opportunity to pay in terms of service the great debt we owe our Maker for our being here even though it may not have been our fault that we are here. The fact is that we all are here and that is that.

The Christian church holds up to us morality without which there is no decent conduct—we have only to look about us to realize that—what good are schools and institutions without high actions? Animals act like humans and according to animal codes but men ought to act like men and stand up and support the things that stand for high manhood and womanhood. Is it nothing to you, all ye that pass by. Stop, Look, and Listen and try and read the signs in the sky of God's Eternal Laws of exact compensation working their merits slowly, but surely. That is all not deep but simple common sense which is related to cents also. The Ladies Guild will hold their Annual Bazaar and Carnival at the Antioch Palace July 18, 19 and 20. Next Wednesday it begins.

## No One Would Steal a Check Book

It Is The Safest Way to Carry Money

**N**O hold-up man would keep your check book. If you dropped it on the street, it would be worthless to the finder. Without your signature a check is of no value, yet it can make every cent of your funds available, almost immediately. The money itself rests securely in the vaults your bank has built to safe guard the cash of our community. The checking account service makes a scrap of paper worth \$5, \$10, a hundred—whatever you have on deposit, but only when you say the word by signing your name. You have all the advantages of currency with none of the risk.

This important safeguard and invaluable convenience is only a part of the service which has grown up within the checking department of your bank. A check is legal proof of payment, your expenses are visualized for easier control; payments are made and recorded with great time saving and there is a definite prestige that grows when you pay by check.

Think This Over

A few moments' thought will show you how valuable it is to have a checking account service from your bank. You would gladly pay any reasonable amount to save yourself the inconvenience, the risk and the delay of the old pay-in-cash method. And yet the banks here only ask that you maintain an appropriate balance. Surplus funds left on deposit earn the income which must pay the cost of serving you and give the bank reasonable compensation. A surplus in the bank is not only sound business practice, but it builds a man's morale. His self respect and confidence are increased. He is worth more to himself, his employer and the community.

Such a reserve provides funds immediately available for business opportunities or emergencies. It is proof of profit-earning power and so one index to credit. A larger balance may easily earn you a line of credit with which you may greatly increase your profits.

A thorough understanding of checking account service may show you some new ways to use it profitably. Talk it over with your banker. He is anxious to help you prosper, for your interests are the same.

## Counteracting Gases

Dangerous gases that are likely to explode in tunnels, mine shafts and other confined places are being counteracted by spraying the interiors with mineral dust, says Popular Mechanics Magazine. The treatment does not entirely eliminate danger, but, if applied in time, it is said to be effective in about 100 per cent of the cases. The dust eliminates hazardous accumulations of the gas and is spread from a motor-driven blower.

# STATE CAPITOL ITEMS

Florists Will Vie For Honors at State Fair

Flowers from over the entire state will be on display in competitive displays of flower beds installed this season at the Illinois state fair grounds. This is an added feature of the floral department of the state fair and is so arranged that all who will attend the exposition August 18 to 25 will have equal opportunities to view it.

Officials of the state fair have taken advantage of the added space which the grounds improvement program offers and have arranged eight flower gardens, each twenty feet square, along the broad promenade that leads from the intersection of the main entrance, boulevard and Jud. Avenue to the new grandstand. They occupy a space near the location of the old grandstand.

Continued that this new feature is one well worthy of encouragement, officials who conduct the fair anticipate that it will become a permanent division of the floral department of the fair.

Commerce Commission Denies Increase In Street Car Fare

The Illinois Commerce Commission recently denied the application of the Chicago Rapid Transit Company for authority to increase rates for street car service. The case had been pending for some time a number of hearings had been held.

## CHRISTIAN SCIENCE CHURCHES

"SACRAMENT" was the subject of the Lesson-Sermon in all churches of "Christ, Scientist, Sunday, July 8.

The Golden Text was from Psalms 116:12, 17. "What shall I render unto the Lord for all his benefits toward me? I will offer to thee the sacrifice of thanksgiving, and will call upon the name of the Lord."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God" (Romans 12: 1, 2).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek" (p. 272).

# LAKE VILLA ROAD IS UNDER WATER AFTER RAIN; DETOUR TRAFFIC

Too Much Gasoline Causes Fire in Pederson Home Last Thursday.

The high water on the cement west of the F. Nader place went down at the end of the week. The heavy traffic of Tuesday and Wednesday had to be detoured north for Fox, Long and Little Lakes and highside as the road west from Rollins to Lone Lake was also under water. A drain leading to the lake had become clogged and as soon as it was cleared the water went away. Fears were expressed that the dam from the lake might break, as it did once before several years ago. The road across the Hawkins slough west of town was also under water for some distance.

Fire caused by too much gasoline allowed to gather in a burner on a stove operated by Mrs. J. A. Pederson in West View Addition, caused a fire in her kitchen last Thursday morning and looked rather dangerous for a while as curtains on a near by window caught fire, but water was handy and by quick work, no serious damage was done, beyond scorching of the woodwork in the room and burned curtains.

Our village is thronged every day with summer visitors, some of whom have their own cottages, others are transient visitors. Bluebird Camp at the Atwell farm, is full to overflowing.

Mr. and Mrs. Ben Summers and Miss Katherine of Waukegan were guests at the Albert Kappeler home on Saturday evening.

J. M. Cannon visited his father at a Chicago hospital last week. Mr. Cannon, Sr., is very ill with a blood clot on the brain. He and his wife came a few weeks ago from California to visit their children.

Miss Laura Carpenter of Chicago spent a couple of days last week as the guest of her aunt, Mrs. S. M. Sherwood.

Mrs. Seeger entertained a few

in motors like yours**

**Ocean-spanning planes...speeding cars,  
heavy trucks and busses have proved the  
stamina, endurance and dependability  
of Shell Motor Oil—it "stands the gaff."**

Speedier, better cars—more and better roads—have made faster, longer, harder driving the order of the day. BUT—will your motor oil stand the gaff? Will it withstand the punishment of gruelling trips and bring your car back home with the motor safe and unharmed?

The hardest service in passenger cars is child's play for Shell Motor Oil. When you consider that it helped make possible the first non-stop East to West transatlantic flight—when you consider that it withstands all

the punishment that heavy trucks and busses can give it, you can readily understand why thousands of motorists driving cars like yours demand Shell Motor Oil, and will use no other.

The proper lubrication of your car is more vital today than ever before. Why take a chance, when Shell, the proven, dependable oil, is available at Shell yellow-red service stations and Shell dealers conveniently located everywhere?

## Antioch Ball Tossers Hit Winning Stride

(Continued from first page)  
and holding standpoint was probably the best ever seen in Antioch. Wilson Gee for Gutree and Bill Steininger for Antioch, rivals in high school, continued their pitching duel with the latter coming out victorious, allowed 2 hits and 7 walks while striking out 8 and Steininger was picked for 4 hits, 2 walks and struck out 2.

Gutree scored the first run of the game in the third inning when Gillette singled after Nadelhoffer and Lux had hit safely. Lux also tried to score but was thrown out at the plate by G. Steininger. After this only one man hit a single and a fast double play cleaned the bases. Only 15 batters faced Steininger the last six innings, which is perfect pitching. A triple by Rudy Strametz after G. Steininger was given a pass scored first run for Antioch and Strametz also scored when Baker made a mild throw relaying the ball from outfield. The last run of the game was scored in the eighth when Nixon and Lasco walked their double steal and a scratch hit by Sullivan.

The feeling of both sides was very good, only one error being marked up for each side. Every man handled his chances like a "big league." The catching and hitting of Strametz was one of the brightest features of the game. Lee Pezera, who has been doing most of the receiving, had his finger severely hurt in the Forrester's game and is out of the lineup indefinitely. In looking for a man to take his place Manager Lasco decided on using "Rudy" behind the bat and leaving Simpson on first base. Nelson, Boyer, Nixon and Simpson gives the locals the strongest line up of the season and should not lose games as they have been doing. Antioch.
